Your Endorsements for Golden State Coalition Candidates

Dear Delegate,

The Call goes out for California Republicans of Good Conscience, serving as Delegates during this week's California GOP Convention in San Diego - to offer their Endorsements to the Golden State Coalition (GSC) Candidates.

After several decades - and more - of Status Quo Political Impedance to Our State & Our Nation, the resulting corruption of Californian & American Societies,

in All Facets,

has occasioned the Time - Now - for Liberty Loving, Constitutional, God Fearing Americans to Chart a Return Course to the Path intended for us, by the Framers and by God.

Worldwide, *a Wave of Liberty is Rising* - an inexorable function of history.

It cannot be resisted.

It cannot be assuaged.

It cannot be turned aside.

As our Deliberations & Actions add upon themselves,

in Our Chambers,

in Our Congregations,

in Our Schools,

in Our Families,

in Our Neighborhoods,

in Our Streets,

Our Liberty Wave will Multiply to such Immense Proportion, that it will Crest & Break with Irresistible Force upon the Entrenched Malfeasance & Criminal Venality besetting Our Land & Governments, Scouring these Evils Away, Washing Them, Once and For All, from Our Shores.

The Task Before Us then, is to quickly close on a Full Return to the Framers' Intentions for Liberty for Ourselves & Our Posterity - decisively rejecting Globalism, Marxism & other Forces which yet linger as existential threats to the Century of Unprecedented American Prosperity, Faith, Felicity, Strength & Peace awaiting us.

There is a group of Candidates - Men & Women upon which you can depend - who have their gaze upon the Political Compass the Founders set 231 years ago. These Candidates are ready, willing & able, to Take the Helm & Steer Us Back to Good & Godly Governance with Fidelity, Honor & Integrity.

Delegates. Friends. Citizens.

Will You Rally to Them?

Will You Rally to the Golden State Coalition?

Respectfully, *will you give your Full Endorsement to the Golden State Coalition Godly, Conservative, Constitutional Candidates?*

Likewise Delegates, *may we seek your courtesy in extending this request now, in the widest possible dissemination, among your fellow Delegates - prior to and during the Convention - with your full endorsement for the GSC Slate of Candidates?*

Absent your considered action *now* for GSC, in this most important Mid-Term Election of Our Nation's History - one in which we simply must break the Marxist, Super Majority of the California Legislature & configure the Federal Legislature for immediate cooperation with the President - certainly Our State & Our Nation will slide further sideways toward Irrevocable Division, Faction, Partisanship & ultimately Civil Conflict.

Should that Conflict come, it may not last long...but it won't be pleasant.

The Apostle Paul, in his *Epistle to the Galatians* wrote,

*"So then, brethren,
we are not children of the bondwoman,
but of the free.*

*Stand Fast therefore in the Liberty
wherewith Christ has made us free,
and be not entangled again
with the yoke of bondage."*

Fellow Citizens, these were the Watch Words of our Godly, Patriot Fore Fathers,

"Stand Fast."

Now they resonant in our time. *Stand Fast.*

Liberty is Rising & Courage is Contagious.

Stand with us!

Pledge with us, to share Our Mutual Cares, Labors, Trust & Sacred Honor!

Stand with us Countrymen in The Golden State Coalition!

Together, Let's *Seal the Deal for Liberty now, Take Back Our Golden State and Make America Great Again!*

Thank you.

In Freedom under God, with Compliments,

P. Brooks
